Event Sponsors

Event Sponsors we consider a little differently. These are angels who donate services to us in order to make this Event fantastic out of the goodness of their hearts in order to raise the most money for the animals. These are often beyond the scenes individuals and companies but we value them so highly there is no way we could not acknowledge them. An Event Sponsor is so unique to us that we do not have a list of predetermined ways we would recognize them but would gladly offer whatever we can in return and would love to discuss this with you. Some services that would be immensely useful to us are as follows:

- **Audio Equipment Rentals**
- **Decor and Furniture Rentals**
- **Transportation Rentals**
- **Photography Services**
- **Videography Services**
- **Advertising and Promotion**
- **Volunteering**

Why Become A Sponsor?

We need heroes in our community to come forward and help us raise as much as possible for the animals. Kingston Animal Rescue has no funding sources and relies on donations and volunteer work to run. Let's make this the biggest event we can!

- **Our goal is a win-win for your brand and the animals because we TRULY understand what it's like to run a business.**
- **Having only one employee means all the funds that will go to Kingston Animal Rescue will be used wisely and will be immensely meaningful.**
- **There is nothing like this event currently in Kingston and this is a chance to reach out to a whole new crowd of people.**
