## Why Become A Sponsor?

We need heroes in our community to come forward and help us raise as much as possible for the animals. Kingston Animal Rescue has no funding sources and relies on donations and volunteer work to run. Let's make this the biggest event we can!

- **Our goal is a win-win for your brand and the animals because we understand what it's like to run a business.**
- **Having only one employee means all the funds that will go to Kingston Animal Rescue will be used wisely and will be immensely meaningful.**
- **There is nothing like this event currently in Kingston and this is a chance to reach out to a whole new crowd of people!**

Rosie,
Rescued 2022.
